

LIFELINE UKRAINE PROVIDES HUMANITARIAN AID DIRECTLY TO THOSE MOST IN NEED
IN UKRAINE IN THE FORM OF CIVIL MEDICAL GOODS, BABY FOOD,
DIAPERS, FOOD, AND NON-FOOD HUMANITARIAN AID.

LifeLine Ukraine:

- Makes weekly, end-to-end deliveries, through its own secured supply chain.
- Provides demand-driven aid, based on needs as identified by doctors, hospitals, local humanitarian agencies, and local governments operating in the field.
- Supplies the humanitarian goods to those in need within 14 days counting from the moment that the specific needs for these goods were identified.
- Certifies its supply chain through photo and video documentation.
- Has zero overhead.
- Meets needs others cannot, through a direct and nimble approach.
- Does fundraising and procurement of goods through the officially recognised charitable institution, the Mara Foundation.
- Will operate until 31-12-2022.
